## SENIORS

The Class of 1970 has been outstanding through its four years of high school. They have shown the leadership and ambition which every senior class needs. Representing the "Good Old Days," the senior class won first place in the car division at the Fiesta parade. Memories of these past four years will never be forgotten.

# OUR 1970 A.F.S.'er

Barbara's family the Corrins

Thank you for making this year that I have spent with you the most memorable of my life. It is so hard to explain how I feel, you have all become such close friends that I feel I have known you and have lived here for years. I still cannot realize that I shall have to leave it all.

Australia is in many ways very similar to America and with no language barrier, it didn't take long to adjust to the American way of living. At times Australia seemed a long way from Reedley, and at first I thought twelve months would be a long time. However, I found that the year passed much too quickly and all of a sudden it was time to start thinking of going home.

You have all taught me a lot about America, and I know that I have benefited greatly from living in your country. Some time in the near future I hope to return to visit you all. Thank you once again.

After attending the cheerleader camp at Squaw Valley this summer, our cheerleaders settled down to a year of great spirit leadership, encouraging the rooters to give their best at all the games

Carolyn, Julie, and Deby did much to promote Pirate spirit, holding great rallies and encouraging support at all of the games

Certainly being new at the game didn't stop our cheerleaders from doing a great job

# IS THE NAME OF THE GAME

At Squaw Valley Pom-Pon Camp this year our Rally Girls earned a superior rating and received the spirit stick for their outstanding performances. They also competed during the 49'er—Ram half-time show and qualified for the finals

They have exhibited their skill at all of the High School games by performing well-executed routines and promoting Pirate spirit

Also, they have shown the teams that they are behind them all the way by giving them encouragement each week in the form of candy, cookies, and pies

HONOR ORCHESTRA FIRST ROW R Rapisura, M Finck, S Harder, G Dean SECOND ROW R Shune, K Bristow THIRD ROW T Fritz, J Mitchell, G Boyer, J Lehman

This year's orchestra, under the direction of Mr. Robert Bauernschmidt, showed its superb skill in performances at seasonal concerts throughout the year. A number of excellent soloists enabled it to perform impressive selections of both modern and classical music. The orchestra competed in the Annual Music Festival, it also provided background music for "Oklahoma" and gave concerts for the elementary schools.

# FORENSICS

FIRST ROW M Swann, S. Blynd, R. Bergthold, G. Boyer, D. Stockdale, H. Bunch, L. Erickson, R. Wiebe, A. Frandsen SECOND ROW R. Cameron, J. Erickson, M. Blynd, T. Kallio, L. Erickson, M. Ayedean

The skill of forensic debate is developed through speech and composition classes. We also offer a number of extracurricular activities that help develop the student's forensic skills. Forensic competition for students most of a city is provided by the Southern Valley Forensics League, the Lions Club competition, individual tournaments, debates, and State qualifying tournaments.

The Forensics team, during the first semester competes with other schools each Saturday morning. These are enthusiastic, fun days for those who have the time. They use their class time during the week preparing for these matches. Second semester they concentrate on learning semantics and the communication theory.

The findings suggest that the middle class where very few might be essential is a very important concept. It is not a very good method of determining who is helping it to keep and flourish.

The Cadets are responsible for raising and lowering the flag, guide and guard functions at school events, and representing our school in parades

The Paragon, our school newspaper, is issued every three weeks to keep us informed about "what's happening" around campus. The Paragon Staff meets daily during third period, writing up the news, editorials, features, and sports stories, then piecing these together to form the completed newspaper. Each member has a specific area of responsibility to cover and must write articles pertaining to it. This year's Paragon Staff seemed to turn out more interesting, provocative and clever issues than ever before.

The class of 1971 has an uncanny knack for having fun. Through their first three years they have been constantly on the go. They've been very active in the class spirit competition, they entered a car in the car rally, and a car in the Fiesta Parade. They have one more year left and we are sure they will make it an exciting one.

## FRESHMEN

Being a Freshman in a high school with fourteen hundred students is not easy, but this year's freshman class has handled the job quite well. They jumped right into the middle of things with a car in the Fiesta parade and car rally, and winning spirit competitions. The class of "73" has shown they have what it takes
